

"Management is doing things right; leadership is doing the right things."

Peter F Drucker

£1000 to help your business this year!!

LEADERSHIP AND MANAGEMENT GRANT FUNDING

Financial assistance is now available for Headline's Leadership and Management learning support! Headline through Train to Gain can provide a great opportunity for businesses with 5-249 employees or volunteers to access up to £1000 of grant funding. This is to assist owners, partners, directors and managers in developing their business leadership skills.

WHAT TYPE OF SUPPORT CAN HEADLINE OFFER?

All aspects of your Leadership and Management 'live issues' can be supported through Individual/Team coaching or appropriate workshops. Topics could include:

- Introduction to Leadership
- Personal Impact and Managing Self
- Inspiring and Developing Others
- Leading the Organisation
- Managing Change
- Team Management
- Managing Client Relationships
- Bespoke Sales and Marketing Support

HOW DOES IT WORK?

It couldn't be simpler! Headline will help you clarify your learning needs and you will then receive an outline of Headlines training solution to address these key areas.

The first £500 is available to any business fulfilling the criteria, and a further £500 which must be match funded by the business is also available. To be eligible you will not have received previous support through the 'Business Leaders' programme.

NEXT STEPS:

Call Phaedra Ashford at Headline Training and Consultancy Ltd on 0118 988 0222 or email phaedra.ashford@headlinetraining.co.uk to discuss how you can benefit.

NB Be aware the funding is available on a first come first serve basis
